TO THE HOUSEHOLDER

(who just wants to have fun on the computer)

So, you've got a computer and you want to have some fun with it, where do you go in **Tuggeranong** ?

Why!!?! Because we've got the largest collection of IBM PC and Amiga games in Canberra, and we have a wide knowledge of the games we sell, to help you choose the right one.

And to get you well on the way to enjoying yourself, we're enclosing a voucher for

\$10.00

off any game in the store.

See the other side for details.

**Unit 2, 216 Cowlshaw Street
Tuggeranong Town Centre**

***Come down to your local computer
games store ...
and save a bundle while you're here!***

AMIGA

Not only have we got the most **competitive** prices around, but we've got one of the **biggest** ranges of **Amiga software in Australia**. (In fact we're the only computer store in Canberra that still stocks productivity programs for the Amiga). We've also got our "**Bargain Bin**", full of Amiga titles **from as low as \$9.90**, plus further special prices on new releases.

IBM PCs & CLONES

And for our **IBM PC** customers we've got all the latest games, big range and great prices.

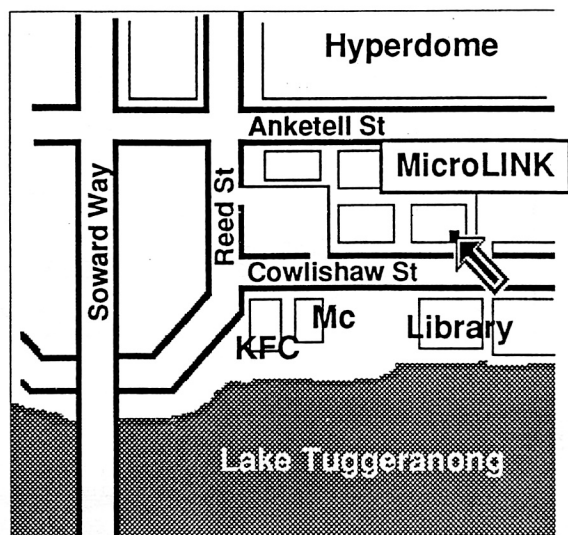

***And we play the games we sell ...
... so we know the games we sell !!!
If you don't know which game to pick, just ask.***
